INDEPENDENT CONTRACTOR AGREEMENT

This agreement is made on _____ between:

CLIENT	CONTRACTOR
_____	_____

1. THE WORK

The Contractor will provide the following services to the Client:

_____

2. TERM

This agreement starts on _____ and ends when the work above is finished and paid for, unless it is ended earlier as set out below.

3. PAYMENT

Fee: _____ for the work above.

The Contractor will send the Client an invoice, and the Client will pay each invoice within 15 days of receiving it. The Contractor pays their own costs of doing the work.

4. INDEPENDENT CONTRACTOR

The Contractor is an independent contractor, not an employee, partner or agent of the Client. The Contractor decides how, when and where to do the work, uses their own tools and equipment, and may work for others. The Contractor is responsible for their own taxes, insurance and any licenses the work needs. The Client will not withhold taxes from payments or provide employee benefits.

5. OWNERSHIP OF THE WORK

Once the Client has paid in full, the Client owns the finished work made for this agreement and the rights in it, and the Contractor will sign any papers reasonably needed to confirm this. The Contractor keeps their own tools, methods and anything they made before or apart from this agreement, and may show the work in their portfolio unless the Client asks them not to.

6. CONFIDENTIALITY

The Contractor will keep private any business information of the Client that is not public and that they learn while doing the work, and will use it only for this work. This continues after the agreement ends. It does not cover information the Contractor already had, gets lawfully from someone else, or must disclose by law.

7. ENDING THE AGREEMENT

Either side may end this agreement by giving the other at least 14 days' notice in writing.

The Client will pay for the work done and the approved expenses up to the end date, and the Contractor will hand over the work finished so far and return anything that belongs to the Client.

8. GENERAL

This agreement, with any pages attached, is the whole agreement between the Client and the Contractor about this work. Changes must be in writing and signed by both. Neither side may hand this agreement over to someone else without the other's written consent. If any part of it goes against the law, the law applies and the rest of the agreement still stands. Each side keeps a signed copy.
